

Applicant's Name: _____ Phone: _____ Date: _____

Mailing Address: _____

The undersigned requests an access permit to allow _____ to construct an access in accordance with Vermont Department of Highways Standards to serve the applicant's property, known as _____ located on the _____ side of Town Highway Number _____ with the local road name of _____.

The proposed access will be located (distance) _____ from the intersection of this road with _____ road. The applicant and their successors agrees to maintain said access in a manner compliant with issuance and adhere to the directions, restrictions, and conditions forming part of this permit. Please include a sketch of Town Road and dimensions indicating where access will be located. **Upon completing access connection to Town Road applicant must notify the Select Board for a final inspection and approval.**

NOTICE

This permit is issued in accordance with Title 19, Section 43, V.S.A. relative to all highways within the control and jurisdiction of the Town of Londonderry. The issuance of this permit does not release the applicant from any requirements of statutes, ordinances, rules and regulations administered by other Governmental agencies. The permit will be effective upon compliance with such of these requirements as are applicable and continue in effect for as long as the present land use continues. Any change from the present land use will require a new permit. This permit is issued subject to the directions, restrictions and conditions contained herein and on the reverse side of this form and any attachments hereto, and covers only the work described in this application, and then only when the work is performed as directed. Violations are subject to the penalties set forth in Title 19, Section 43, V.S.A. of fines of not less than \$100. Nor more than \$10,000. for each violation.
