

Minutes of CRO Meeting

12 December 2016 6:00PM Londonderry Town Office

Attendees: Dick Dale, Bruce Frauman, George Mora, Jennifer Probst, Fred Probst

Called to order 6:02 by Bruce

1. Changes to agenda approved
2. Minutes approved
3. Approved Bruce's expenses for EPC meeting.
4. George and Jennifer gave a brief report on the LEPC-6 meeting. Need to have Red Cross come in and survey the shelter location (Flood Brook) and sign off Facility Use Agreement. Bruce to contact Kevin about contacting RC for above.
5. Bruce report on EPC. Described the various options for setting up VT Alert. Group discussed timing for approaching Selectboard about VT Alert.
  - Need to have L'derry Emergency Management meeting somewhere @ 3rd week of January; introduce VT Alert to group, then bring to SB at Feb 1st Monday.
  - Discussion of Grant applications, opportunities; approach it from an educational perspective. Specifically, need to move on Emergency Management / Homeland Security grants
6. Target: Wednesday Jan 25 for L'derry Emergency Management meeting; alt Jan 26. 6 – 8PM, light refreshments. Elevator pitch: begin to plan for various entities to work together in the event of an emergency; dissemination of Emergency Operations Plan, introduce VT Alert. @ 25 people; Fred to handle food. Dick has list of potential invitees.
7. Report from Dick on Town Plan; predicts final draft by January 10. Plan is not just a loose update of earlier plan; update has been thorough and thoughtful. Many boards, committees, and individuals contacted for input. (George volunteered to do a fresh-eyes review/edit before draft goes out for print; will contact Sharon and Susan).
8. Bruce requested \$400 be added to town budget for CRO; foresees using some funds to create an informational refrigerator magnet to distribute to townspeople
9. Consideration of Watershed Resilience involvement; agreed it's covered by other entities (Conservation Committee). Will direct info to CC re: VT Clean Water Network Progress Meeting
10. CRO Virtual Assessment Tool Beta is live online; Peg Elmer is asking for input/feedback before Dec. 9. <http://tools.gocros.org/>

Next meeting set for Tuesday Jan 3 6PM at Town Office.
