Maintenance of cemeteries

Connolly and Parsons, corner stones have been set. Glebe View. FYI, the plots are extremely tight to R. Holton grave.

Duane, Melissa and Maureen will get together and mark out two lots that have a tree growing on them and cannot be sold (Glebe View). *[After the meeting Melissa e-mailed to say that the lots that are NOT to be sold are in Glebe View Section A row E, 12 and 13].*

Also, a rock against a corner stone at Glebe View has been jack hammered down.

Duane's excavator is at Glebe View. Doing work behind stone wall.

Mahar has corner stones, three sets of 'S's, will bring them up on Saturday to Glebe View.

Duane said if current trend continues (numbers of plots being sold) we will need more corner stones for next season.

Damage (fence) at Glebe View. Tough time trying to find someone to do work. May tag on to town work that is needed. Danny will call Springfield fence, ask to be put on a list.

Trees need to be planted at Glebe View alongside property behind Glebe View (former Sullivan property). A few need to be planted. Duane will handle this.

Middletown stone wall needs to be repaired. Discussion about how to move forward. Decision is that Commission members will go and check out Middletown and Collins before the next meeting. Danny also suggests that we need to decide what we want the outcome to look like. To be discussed at our October meeting.

Duane and Melissa will be out of town Sept. 19-25.

Original cost of corner stones will be refunded when people sell plots back to town.
Tree at Glebe View, Matt Mosher will get to it.

Sale of cemetery plots

Maureen has sold two more plots at Riverside.

Old business

Salt shed for Town is on track. Request will be coming to loan the town around \$180,000. We had voted to loan on up to \$200,000.

Maureen updated us on database. More information to be gathered. Thanks Maureen for your work on this.

Contract for cemetery caretaking discussed. Will review at October meeting.

New business

Maureen asks about past minutes. Melissa will look for the box that came from Melvin.

Meeting was adjourned by Danny Cobb, chair, at 8:50 PM.

Next meeting is Thursday, October 5th, at 7:00 PM.

(November meeting will be November 2nd.)

Respectfully submitted,
