

Londonderry Conservation Commission
Thursday April 20, 2017 6pm
Town Office

Draft Minutes

Present members: Irwin Kuperberg, Kathie Stone, Helen Hamman, Marge Beckwith and Trevor Bickford. Mark Wright was absent with previous notification

March minutes reviewed and approved by present members.

Treasurer's report: Helen discussed with Tina about **Conservation Fund** and she submitted a report from Heritage Credit Union. We are awaiting further clarification from Tina and will also consider working with the Trustee for Public Funds about possibly managing the funds.

Old Business:

New members: Trevor Bickford was presented by Irwin on April 17 to Select Board for membership, and the Town Select Board officially approved Trevor as a new member of LCC.

Helen scanned all **LLC archives** and will email them to LCC members.

Town Forest: All LCC members decided to walk over the town forest next month. Irwin reported on his meeting with the Select Board and their interest in this project.

Helen met Sandy Clark, and she provided the large property owners names and addresses list. She also made a draft letter to those property owners.

Revisions to Town Plan: Kathie reviewed the Town Plan and edited our proposed changes to the Town Plan. She will submit the revised Town Plan to the Town Office.

Summer/ Fall Educational Programs: The list of proposed programs still pending. Mark put Irwin in touch with a teacher from Flood Brook School who is interested in the stream table presentation. He will investigate cost and other issues with the Winham Regional Commission.

New Business:

Site Visits: All LCC members decided to start site visits with the Shamberg Town Forest next month. Scheduling to be organized via email.

HWA Surveys: HWA surveys were collected from some members for submission to Jim Esden. Others will be sent independently.

Energy Committee: Helen and Mark attended the Energy meeting in Town Office Hall. They found it very interesting and also a good opportunity for collaboration with LCC.

BioFinder: Irwin attended a BioFinder workshop and found it very helpful for the Town Forest plans.

Wildlife sightings: Red tail Hawk, Tree Swallow, Winter Wren, Fox, Turkey, Deer, Robin, Siskin, Junco, Pheasant, Mallard Duck and Black Bear.

Next meeting will be at **6pm on May 18th**.
