Draft Minutes

Present members: Irwin Kuperberg, Kathie Stone, Mark Wright and Helen Hamman. Marge Beckwith was absent with previous notification

February minutes reviewed and approved by present members.

Treasurer's report: We will approach the Trustee for Public Funds about managing the investment of Conservation Funds

Old Business:

New members: Irwin will present Trevor Bickford to the Select Board for membership.

Helen is in the middle of organizing the **LLC archives** boxes.

Water Testing in Weston: No news from **Weston CC**.

Helen is going to meet Sandy Clark to get names and addresses of property owners of 30+ acreage. She will also draft a letter to those property owners.

Kathie is working to review and edit our proposed changes **to the Town Plan**.

Summer/ Fall Educational Programs: The list of proposed programs still pending. Irwin will investigate cost and other issues around talks by Sue Morse of Keeping Track.

New Business:

Mark reported on the meeting he attended regarding the **Lowell Lake Plan**. The plan is not yet finalized and many questions remain regarding capacity and funding.

The DEC notice of renewed Pollutant Discharge was reviewed with no comments by the LCC.

Irwin and Kathie attended the **regional CC meeting** and reported on what other CCs are doing. The other groups were favorably impressed by our report of what the LCC is doing.

Town Forest Project: Irwin communicated with Bill Guenther and Aaron Hurst about LCC goals for Shamberg Town Forest. Bill Guenther spoke with Aaron Hurst. They agreed that they would offer what services they could, relative to LCC request and Aaron will be back in touch with Irwin with the updates. Also LCC members will wait till the land gets dry to walk on the property and better assess our options.

Wildlife sightings: Robin, Bluebirds, Blackbird, Fox, Turkey

Next meeting will be at **6pm on April 20th**.
