5. Pump Track- GNAT would like to do a story on our fundraising efforts when they are planned. The original interview had over 3,000 views. Need to reach out to possible supporters. Bicycle clubs groups, interested community members. Research grants. 2nd proposal came in 36 K. This is a bigger plan includes the woods trail and is broken up into 2 phases. The board agrees our funding for this project should consist of grants. Local fundraising is difficult with the amount of groups in the community with similar fund raising needs. Nadine will research grants, and BDCC for grant writing info
6. Music Monday- Nadine will send out the mostly signed letter people can fill in the dear _____ and distribute. Damn Tall buildings is booked Aug 5. Available spots are July 8th & 22nd. Aug 19th and Sept 2nd. Still looking for bands Steve has a contact for a solo. He will get us details. Joe suggested looking at Killington's line up bands that will already be in the area. Nadine looked into this after the meeting , nothing listed on their web site yet
7. Start date for Leigh. Nadine will reach out to her and see if she is interested for this summer. All agree she was a great asset and did a terrific job.
8. Memorial Park – Hoping Matt and Taylor will take on grill area and garden area project. Walking path plan will move ahead when the weather permits. Taylor is going to speak with people about the retaining wall

9. Special Pickle Ball meeting Thursday 3/14. Nadine and Taylor met with the Pickle ball group. They would ideally like to paint lines on both the tennis and B-Ball court. They have many players and the group continues to grow. The parks board has agreed that the installation of PB courts could go where the skateboard ramp used to sit. The PB does not have the resources to do this. The PB group does not have a fundraising plan to date and for now would just like to paint on the courts. Taylor and Nadine said that the painting would need to be voted on at a PB meeting (next one 4.1.9)
