Attendees- Nadine, Kelly (call in), Patrick, Stephen
2. Additions and Deletions – community member William’s Dam request
3. Review minutes
Kelly motioned to approve minutes. Stephen seconded. All in favor.
Minutes approved
4. Kelly Capen reached out to Nadine and suggested that the Park Board let the upper baseball field go to field. Take any money we raise, and focus it and any volunteerism on a study of the Dam at Williams Park. It is the board’s belief that we do not want to neglect one area to focus on another. The Dam will take time before a decision and or plan is made. The PB would like to continue its goal of creating more attractive experiences in our parks.
5. Pump Track- GNAT would like to do a story on our plan and efforts. Stephen kindly volunteered to do the interview. Nadine and Stephen will research some additional pump track information. Create some talking points for town meeting
