b. Discuss Highway Department matters with staff

At 5:05 PM, Highway Crew members Joshua Dryden and Austin Morse entered the meeting, as did reporter Bruce Frauman.

There was discussion about operations of the Highway Department, with emphasis on ways to improve organization and planning for maintenance of roads, equipment and facilities, and for promoting teamwork. Maximizing departmental productivity and efficiency was stated as a

Board goal. The tracking of work tasks and project costs was explored and there was mention of technological tools that can assist with this. A draft annual work schedule was distributed and reviewed, as was a set of departmental goals.

It was agreed that the Highway Department has done a great job with winter maintenance in particular this year, and that the Town is lucky to have such a skilled and dedicated crew.

Rawson mentioned that he was getting cost estimates for a replacement vehicle for the Highway Department. He raised the idea of whether to purchase a 10-wheeled vehicle instead of a 6-wheeler, and he along with crew members stated that the larger vehicle would provide trucking capacity and time efficiencies and be more durable. Rawson will look further into this and the Board would take this up at a future meeting.

Frauman stated that the Town of Weston photographs its culverts each year for documentation purposes.

c. Executive sessions per 1 VSA 313(a)(3) - The appointment or employment or evaluation of a public officer or employee
