Announcements / correspondence – There was a phone call to the Town office from the (surviving) daughter of Walter and Lois Scherbaum regarding burying her sister in the plot with their parents. Walter was the Minister of the Baptist Church in the 1950's. The surviving daughter was in touch with Bonnie Cobb (in the Town office.) Danny put her in touch with Chris Blackey and there will be a burial. Danny did great work making this happen.

Laurie spoke about how great Duane was for a burial on May 28<sup>th</sup>. It was pouring rain and Duane set up a tent and was just great to the family. Many thanks.

Visitors and concerned citizens – none.

Maintenance of cemeteries. Discussion of Flag holders. Danny asks Laurie to determine all veteran graves and to replace 'Veteran' markers with the war/conflict that each served in or during. Laurie will bring samples of markers to be ordered to the next meeting and numbers can be determined (perhaps) at that time.

he cemeteries look good. Lowell Lake: Meeting with Ethan Phelps went well regarding fixing the fence and clearing around the area of the fence of the Cemetery.
