Based upon application materials submitted by the applicant, the following land development is found to meet the provisions of the Town of Londonderry Zoning Bylaw and is hereby APPROVED:

Reconstruction of single-family dwelling damaged by fire, including deck expansion, measuring 8' wide by 22' long.

The project shall be completed in accordance with the application and all sketch or site plans of record, and any decisions of the Development Review Board related to this project. No alterations shall be made to the project except where written application to the Zoning Administrator has been made and the required approvals obtained.

A Zoning Permit Notice placard must be posted at the property and easily viewable from the adjacent public road. The notice placard must be in place for a period of 15 days starting from the date the permit is issued. The 15-day public notice requirement is mandated by Vermont Law. The permit is effective on the 16th day after the date of this permit. If the permitted activities have not been substantially completed within 2 years, reapplication for a new zoning permit shall be required, unless an extension has been granted by the Zoning Administrator.

NOTICE OF RIGHT TO APPEAL: The decision by the Zoning Administrator to issue this permit may be appealed to the Londonderry Development Review Board by an interested person, pursuant to 24 V.S.A. 4465. An appeal must be taken within 15 days of the date of the Zoning Administrator’s decision. After the 15-day period, the decision of the Zoning Administrator becomes final.
