Based upon application materials submitted by the applicant, the following land development is found to meet the provisions of the Town of Londonderry Zoning Bylaw and is hereby **APPROVED**:

Renewal of Zoning Permit No. 2011-024 (024-11) to conduct excavation and quarrying operations on the subject property, subject to the Development Review Board decision of 3/13/2012, and as amended by the Development Review Board decision in this matter of 1/27/2017. This permit is valid until 3/12/2022 unless renewed pursuant to Londonderry Zoning Bylaw Section 308 or any successor provisions of the Bylaw. Note: This project erroneously did not receive a new zoning permit when approved by the Development Review Board on 1/27/2017, and this permit is issued at this time to perfect that land use review process.

The project shall be completed in accordance with the application and all sketch or site plans of record, and any decisions of the Development Review Board related to this project. No alterations shall be made to the project except where prior written application to the Zoning Administrator has been made and the required approvals obtained.

A Zoning Permit Notice placard issued with this permit must be posted and in place at the property and easily viewable from the adjacent public road for a period of 15 days starting from the date the permit is issued. The permit is effective on the 16th day after the date of this permit.

NOTICE OF RIGHT TO APPEAL: The decision by the Zoning Administrator to issue this permit may be appealed to the Londonderry Development Review Board by an interested person, pursuant to 24 V.S.A. 4465. An appeal must be taken within 15 days of the date of the Zoning Administrator's decision. After the 15-day period, the decision of the Zoning Administrator becomes final.
