Volume 10 Number 1

January 2019

Letter from the Temporary Editor:

Happy New Year Londonderry!!!!!! After a busy Holiday Season, Darcy is getting a month off from her job as Editor and I did my best to get the January Edition put together. She deserves special thanks for volunteering to keep this Newsletter going.

As we begin 2019 the Town Office is welcoming a new staff member. Shane O'Keefe began working as the Town Administrator and Zoning Administrator on January 2nd and seems to be hitting the ground running. We are all thrilled to have him on board.

We have been enjoying the steady stream of people coming in to purchase their 2019 Transfer Station Permits. Now that we are into January, you can also renew your dog's registration while you're in. One stop shopping! (Not that we will not enjoy a second visit from our dog owners.)

I suppose that is enough of Town business. Darcy is much better at the fun side of life than I am. So...a comment on the fun of the holiday season and the beginning of the New Year.....I'm so thankful for the gift of time spent with the people I love most. Free time and undivided attention can be a rare commodity and that is what I was able to give to my family over the holidays. Best gift ever! And it is the gift that keeps on giving because the renewed strength found in quality time together is carrying us into the new year.

I am preparing at home and at the office to split my time between Londonderry and Montpelier. I'm always thinking about serving the community in both places, at all times. I hope you all will contact me whenever you need to or want to. Monday will be my weekday in the Town Office and I will appreciate seeing people even more than I already do, so stop in.

Best wishes to everyone!

Very Sincerely,

Kelly Pajala, your Town Clerk and State Representative
