Parks Board Draft Minutes December 29, 2020

In Attendance via zoom: Matt Scott, Taylor Barton, Steven Bergleitner, Marge Fish, Kelly Pajala, Nadine VanHouten, Elizabeth Labeau, Shane O'Keefe, George Mora, Tina Labeau, and Sharon Crossman.

The meeting was called to order at 5:35pm

Announcement: After the flood planning at Williams Park. There is a better places grant for planning, engineering, and implementation. Collaboration on the grant

Additions and Deletions: None

Review minutes: Minutes not available

Budget:

\$10,000 Employee
\$5,000 mowing and plowing
\$12,000 tennis court

The Select Board is proposing a Building and Maintenance person which could include the parks employee position. The plowing and mowing of the parks contracted service would fall on this new employee. This would mean removing the park employee and contacted services for the parks those services would be covered by the new position. The parks board concerns would be parks not being prioritized in the employees work. Concern about the position being voted it down at town meeting and losing our employee. The parks board would request if that the position is created there would be a clear job description. The board would like to know who the new employee is accountable too to make sure the work is being done. The budget could be amended at town meeting if position fails in order keep the parks part time employee. The position would begin July 1.

Wastewater in Pingree letter: There is a draft of the letter for the select board expressing the Parks Board opinion against using Pingree park for a wastewater treatment facility site. We are waiting to hear from the attorney regarding the legality of the site based on the deeds. The board members agreed to wait to submit the letter until we hear back from the attorney.

Adjourn: 6:35
