More Bottle money in June and September

Pause on business donations this year.

iii. Potential for local Music Night Saturday in the fall.

b. After the flood planning for Williams Park

Nothing to Discuss

c. One Londonderry recreation task force

Martha Dale Chair Currently no plans with parks

d. Pump track

Flood Brook Group met

They have no firm plans.

They have private trails they want to connect to Flood Brooks existing trails system

They were wondering about the money the town has for the pump track. Board wondered if it was an issue with the School district vs Private. If the money were to be used this way it would need to go to a town vote at a town meeting.

e. Pickleball courts

Now that they are using the Softball Field where would they go.

If the tennis courts need to be replaced should we rethink the park

Pause on this and everyone think of ideas for pingree park
