Chair Danny Cobb shared that he received an email from the Town Treasurer in January 2022 that the Cemetery distribution was \$59,460.69 from the Trustees of Public Funds for 2021. There was approximately \$160,000 in the checking account so \$100,000 was moved to be reinvested in the Cemetery Fund.

Maintenance of cemeteries

Branch in old part of Collins, Duane has taken care of that.

New 2022 prices:

\$500 full burial

\$150 cremation

\$50/hour extra work

Limbs are down in Glebeview, one good sized tree down at Lowell Lake, gate at Lowell Lake will need to be repaired (Maureen is working on a plaque that will go at Lowell Lake).

There are lots of headstones that need work, Duane says he will have time to work on those.

Sale of cemetery plots - four lots recently sold in Collins. Gary will learn how to sell plots.

Old business – Maureen will continue to work on the plaque at Lowell Lake. Maureen thinks she has found a list of who is buried at Lowell Lake, she will continue to work on that. She has some leads - it will be a summer project.

Maps were updated this past Winter.

Replace fence at Riverside? We will discuss when we do our walk around.

We will discuss walkway improvement at Collins that was brought up in the fall when we do our Spring walk around. Important to remember that the reason for the Cemetery is burial of the deceased.

New business - One Londonderry has asked us to look at having a walkway that goes through Riverside to Pingree Park. We will look at this on May 5th when we do our walk around.

Flags need to be ordered (Duane will check on how many we have and let Laurie know how many to order).

Corner stones, last cost was \$200 each set. Price will be the same (\$200) for 2022.

Discussion was had about the make-up of the Commission and participation.

Adjournment at 8:15 PM

Next meeting: Spring walk around at the Cemeteries will be May 5th at 5:00 PM. We will gather at the Town Offices at 5:00 PM.

Respectfully submitted,

Laurie Krooss Mullen
