

Londonderry Town Parks  
100 Old School Street  
South Londonderry, VT 05155  
802 824 3356

Present at Meeting: Steve Berglietner, Marge Fish, Kelly Pajala, Sam Eisenhour, Leigh Nance, Shane O'Keefe, Tina Labeau, Tom Cavanagh

The Londonderry Parks Board met at the Twitchell Building 100 Old School Street South Londonderry on Monday April 4, 2022.

The meeting was called to order at 4:35pm.

Marge made a motion to add the tennis court at Pingree park under item 5. Parks Operations #4. Steve seconded the motion. The motion passed.

There was no public comment.

Steve made a motion to approve the minutes of the last meeting of March 24, 2022. Marge seconded the motion. The motion passed.

The board decided to talk about Ongoing Projects #1 first. Sam Eisenhour spoke about fundraising for the skate park project. There was discussion about measurable goals for the year. The fundraising goal for the year was set at but not limited to \$50,000.00 to cover initial design and permitting costs. Before the next meeting a draft of a poster and fundraiser mailing for the skatepark project will get started. The board will discuss updating signage at the next meeting.

The board looked at the sponsorship handout for Music Monday. Everyone will start talking to potential sponsors and keeping a list of the people that they approach. There was no update on potential artists to play the event.

The board spoke briefly with Shane O'Keefe about sending out a request for a bid on mowing all the town parks this summer. He said he would get to it in the next week or two.

The Board spoke with Leigh Nance, the returning parks employee about the board's expectations for the summer. The to-do list currently includes spreading new playground wood chips (potentially with BBA volunteer help), water testing at Memorial Park, installing new basketball nets, regular trash pick up, regular trail trimming, completing the storage shed project at Memorial park, maintenance and trash removal at the dog park. We are still working on the plan for algae growth in the Memorial park pond. The board is happy to have Leigh back for the season.

The new surface at the tennis court did not hold up well this winter. A community member sent pictures of the damage to the court. Steve is going to go take pictures of the court and contact the resurfacing company with Shane to see if the work is under warranty.

Further information on Memorial park planning will be discussed at the next meeting.

The next meeting was set for Wednesday April 20th at 6:00 at the Town Offices and the following will be May 9th at 4:30 location TBA.

The meeting was adjourned at 5:40
