

Town of Londonderry, Vermont

Planning Commission Special Meeting Minutes Monday, Oct. 21, 2019:1:00 PM 100 Old School Street, South Londonderry, VT 05155

Attending: Elsie Smith, Mimi Lines, Larry Gubb, Dick Dale, Gail Mann

1. Meeting was called to order at 1:05
2. The meeting was called to order with Dick Dale as temporary chair. After considerable discussion, it was decided that the poster boards would have "Project Londonderry" across the top followed by "What are your ideas?". Mimi volunteered to prepare the boards which should be ready to be placed early in November at the Transfer Station, The Free Library, The Londonderry Village Market, Mike and Tammy's, Grandma Miller's, The Flood Brook School. In addition, Shane will be asked to create a link to a new web page accessible by the PC members, but where postings by the public can be made. Next, the draft of the blurb that will be given to The Londonderry News Email edited by Darcy and will be read to the Select Board by Sharon and Mimi at their Monday meeting was reviewed and agreed to. It was hoped that Sharon would make sure it got to Darcy and that the Select Board would approve of "Project Londonderry." It was agreed that notice of future meetings on "Project Londonderry" be sent to previously identified people in town like Gail Mann, Jim Wilber, Cynthia Gubb, and Esther Fishman. Others might be identified as people respond with suggestions.
3. It was agreed that Sharon speak to the Orton Foundation and ask that a representative speak at the next meeting for "project Londonderry." The date of the meeting would be determined by that speaker's availability.
4. The meeting was adjourned at 1:47.

Respectfully Submitted, Dick Dale
