

****NOTICE****

WASTEWATER PROJECT

**Site Survey Beginning on
Monday, March 18**

Dufresne Group staff will perform a site survey of existing conditions data for the design phase.

- Survey includes building corners and permanent features between the road and the building
- All buildings that might be served by the system will be surveyed
 - Survey of your building does not commit you to connecting
- To ensure all property owners feel comfortable, please feel free to ask the surveyor for a Dufresne Group business card

Thank you for your cooperation!

-Londonderry Village Wastewater Committee
