ARTICLE 4. SHORT TERM RENTAL REGISTRATION.

- A. The short-term rental of a dwelling unit requires the annual issuance of a Short-Term Rental Registration from the STR Administrator. A person shall not commence the use of a dwelling unit as a short-term rental unless and until the STR Administrator issues the requisite Short-Term Rental Registration.
- B. Any application made by a person other than a single individual must detail the other members of any Corporation, LLC, or Partnership ("Common Ownership"), and any out-of-state entity must provide a valid and current copy of the articles of organization for the entity.
- C. All STRs must be offered via an STR rental platform to satisfy any reporting requirements and the payment of any municipal, state and federal taxes. The operator must also have a Vermont Meals and Rooms Tax account and post the number on any advertisements for the STR.
- D. Operators of three or more STRs must show proof of registration with the Corporations Division of the office of the Vermont Secretary of State.
- E. The dwelling unit overnight capacity of a short-term rental shall be a maximum of two occupants for every bedroom indicated in the Town Listers property database for the dwelling unit, plus an additional two occupants. For example, a three-bedroom dwelling unit shall have a dwelling unit capacity of eight persons ((3 bedrooms X 2) + 2) when used as a short-term rental. An owner shall not advertise or permit occupancy by more than the capacity set forth in this section.
- F. An operator shall provide the following information in an application for Short-Term Rental Registration for dwelling units with an occupancy of 8 or less, on a form provided by the Town:
 - 1. The number of bedrooms to be rented and the requested dwelling unit capacity to be approved in the Short-Term Rental Registration.
 - 2. The Operator's name, mailing address, email, and a cell phone number or other number (such as a property management company) that will be answered 24 hours a day during the time that the short-term rental unit is being rented.
 - 3. The property owner's and, if applicable, tenant's name, address, phone number, email, date of birth, driver's license and license state, and military status (active or not), and if the owner is a corporation, the registered corporate agent and president of the corporation and their name and address, and if the owner is a partnership, the registered partnership agent

- and the names and addresses of the general partners (information that is needed to enforce a municipal complaint before the Judicial Bureau).
4. Property owners who are not in residence at the property the entire time it is being rented shall designate and provide the name and contact information of a designated agent located in Windsor, Bennington or Windham Counties who shall be responsible for responding to emergency situations occurring at the Short-term rental dwelling unit.
 5. The Posting of Contact Information required by 18 V.S.A. § 4467 within the Short-term rental dwelling unit.
 6. The education materials required by 18 V.S.A. § 4468(a), including without limitation the self-certification form pertaining to health and safety precautions that Operators must take into consideration prior to renting a dwelling unit required by 18 V.S.A. § 4468(b).
 7. Confirmation of liability insurance of not less than \$1,000,000 to cover each short-term rental unit, unless such short-term rental is offered through a hosting platform that maintains equal or greater coverage, and that the liability insurance policy that covers the dwelling unit extends bodily injury and property damage insurance coverage that occurs during or as a result of the use of the dwelling unit as a short-term rental.
 8. Proof, satisfactory to the Town, that the Operator has obtained and performed all necessary licensing and registrations with the State of Vermont Department of Health, Division of Fire Safety and Department of Taxes necessary to operate a Short-term rental. A short-term rental is a "public building" as defined by 20 V.S.A. § 2730, subject to inspection and regulation by the Vermont Division of Fire Safety. ~~An owner shall provide to the STR Administrator proof of satisfactory inspection results for the most recent inspection required by the Vermont Division of Fire Safety prior to the first occupancy by an occupant as defined in this Ordinance, and with each annual registration of the short-term rental.~~
 9. Annually, beginning with the first renewal of said registration, the Operator shall file with the Town an accounting/printout of the total number of days the property was rented on a short-term basis during the previous year. Failure to submit said accounting/printout will result in the renewal registration being denied.
- G. An application for Short-Term Rental Registration, for dwelling units with a capacity of greater than 8 occupants, shall require compliance with subsection D above, plus the following:
1. Confirmation that the septic capacity is at least equal to the requested short-term rental dwelling unit capacity. This shall be evidenced by a) a valid State of Vermont Wastewater and Water Supply Permit for the property for dwelling units or wastewater and water supply systems constructed, modified or occupied after June 30, 2007, OR, b) a local zoning or septic permit for dwelling units constructed before July 1, 2007 indicating the number of bedrooms permitted, OR, c) by the number of bedrooms indicated in the listers property database if a local zoning or septic permit does not exist for dwelling units constructed before July 1, 2007.
 2. An inspection report, [showing satisfactory inspection results for the most recent inspection](#), with occupancy approved from the State of Vermont Division of Fire Safety for the requested short-term rental dwelling unit capacity.

- H. No registration for the short-term rental of a dwelling unit shall be issued unless the applicant has complied with subsection D above (for dwelling units with an occupancy of 8 or less) or has complied with subsection E above (for dwelling units with a capacity of greater than 8 occupants).
- I. Short-Term Rental Registrations shall expire on June 30 of each year and require renewal to continue use of a dwelling unit as a short-term rental. In the event that a property for which a Short-Term Rental Registration has been filed is transferred or conveyed to a new property owner, the new owner/operator shall file a new application for a new Short Term Rental registration.
- J. The number of lessees, guests, or other persons using a dwelling unit pursuant to the short-term rental lease or other agreement with the Operator shall not exceed the approved dwelling unit capacity on the Short-Term Rental Registration.
- K. This occupancy standard is for overnight guests and is not intended to unreasonably limit visitors to the property.
