5. 6 Month Employee Review.
 - Liam states that he is enjoying the job. He feels supported by the committee and how the transition is happening. He was handed operational programs with support as to how to run them. Looking forward to moving into more community events.
 - Martha asked if there have been challenges that he has not been prepared for or things that the advisory committee should be paying more attention to. Liam does not feel as though there have been roadblocks.
 - Committee discussion/evaluation
6. Social media policy.
 - Policy is currently with Bob Fischer for review. We can't start social media without a townwide policy in place. Liam could use front porch forum to start advertising more leagues and events but as an individual vs. as MTR. Current MTR website doesn't fully support communications as he would like to use them.
 - Possibility of a regular newsletter that folks could subscribe to for updates.
- 6a. Discussion of changing frequency of regular meetings.
 - This committee will move towards quarterly meetings. Schedule to be discussed over email.
7. Sportsmanship policy.
 - Policy is still with Bob Fischer.
8. MTR Funding.
 - Funds in accounts is money in and out from registrations. Liam is wondering about how to find funding for additional programs. Discussion re: equipment specifically for softball league, for example. Possibility of sponsorships. Cost for players? League rules? MTR sports would be a step up from "pick up" games.
9. Member Resignation
 - Sarah Kiefer is stepping down from this committee.
10. Set next meeting. Late August to be set specifically via email.
11. Adjourn. Will motioned to adjourn. Jason seconded.
